### Typical Installations

Consult owner's manual for complete installation instructions and proper clearances to combustible surfaces prior to installing stove.

**Warranty:** The manufacturer warrants this fireplace to be free from defects in materials and workmanship at the time of manufacture. There is a limited 10 year warranty on the firebox; 5 year limited warranty on the burner and 1 year limited warranty on the pilot burner assembly and fan motors (if included). The valve carries a limited 1 year warranty unless otherwise specified in the installation manual. Glass, plated/painted finishes and refractory lining are exempt.

All specifications, product designs, materials and colours are subject to change without notice. The actual flame pattern and colour may vary slightly from the illustrations. Diagrams and illustrations not to scale.
