

# MONTIGO CoolWall ADVANTAGE

**ELEGANCE & HEAT, EXACTLY WHERE YOU WANT IT.**  
THE MONTIGO COOL WALL KIT, DIVERTING HEAT AWAY  
FROM THE WALL, KEEPING YOUR TV OR ARTWORK SAFE.

## THE LINEAR D6315NI-2 & DL6315NI FROM MONTIGO

### **Distinction D6315NI-2 50,000 BTU**

The newest addition to the prestigious Montigo catalogue, The Distinction offers a wide scope of luxury with 63" of viewing area. You won't have to sit close to the Distinction to feel the heat, as it features circulating fans to warm any space. Or enjoy a more gentle flame and heat with the 50% turndown. The unit also comes standard with reflective porcelain liners, multi color LED uplighting, Ceramic glass and a full function remote.

### **Distinction DL6315NI 40,000 BTU**

A Simplified version of the D6315NI-2, this unit has the same 63"x15" proportions to add personality to any space. The DL6315NI ambitiously features a 40,000 BTU burner and a 30 foot wall switch wire. Any options that are standard to the D6315NI-2 can be added to the DL6315NI, giving you complete freedom to customise and match to your space.
