

MODELS: PL42VO

STYLE: Single Sided Ventless Outdoor

DESCRIPTION	FEATURES
The warmth & comfort of your living room, now on your patio. 304 stainless steel construction combined with a glass door and screen truly create a wind and weatherproof design. The sleek, ventless construction and ability for combustible framing and finishing makes this unit the most versatile choice in outdoor spaces.	<ul style="list-style-type: none"> • Clean face design • Ventless design • High Quality 304 stainless steel construction • Patented design by Montigo, #8,567,387 • Built-in blower • No masonry structure required, listed for wood frame construction
