**Redefine Your Home Experience**

Enjoy the expanded sense of space and the comfort of a unique modern fireplace. Twice the amount of fire and relaxation, both indoors and outdoors.

---

**Indoor-Outdoor Design**

Break away from traditional and elevate your home’s design with a unique fireplace experience. Add incredible ambience and a feeling of expansiveness - a complete fusion of indoor and outdoor living.

---

**Burner Technology**

A flame viewing experience unlike any other. The long elegant flame creates a relaxing atmosphere. Your desired glass media completely covers the bed of the firebox, enhancing the ambience whether or not the fireplace is in use.

---

**Downdraft Power Vent**

Complete architectural design freedom. The absence of a vent run facilitates uninterrupted views with windows around the fireplace. The small footprint means you can install the fireplace anywhere around the exterior of your home.

---

*R324 STIO (shown with porcelain panels and firestones)*
Features

• 50,000 BTU NG/LP
