MONTIGO
the art of fireplaces

Earls Kitchen & Bar Lincoln Square - Bellevue, WA / C1620

Feast by the fireplace in good company.

To feast by the fireplace is to dine in the presence of nature's most captivating element. Whether you are looking to make a bold and fiery dining hall or a cozy and romantic nook, Montigo can turn your vision into reality.

Venting capabilities up to 550ft and multiple air intake location options provide you with flexibility. With COOL-Pack or Power COOL-Pack, guests can sit right next to the fire and enjoy the glow without feeling the heat of the flame.
